

JACKSON'S MILL JUBILEE

To: New Applicants

From: Arts, Crafts Committee, Erin K. Vaughn,

Chair Subject: 2026 Jackson's Mill Jubilee

The Arts-Craft committee of Jackson's Mill Jubilee is looking for unique and new exhibitors for our Labor Day Event (September 4-6, 2026).

All new Artisans and Crafters must be juried into the 2026 Jubilee. If you would like to participate in our event, please complete the attached form and return it to the committee on or before July 21st, 2026. Your request will be judged using the following criteria:

- Type of Craft
- Uniqueness
- Quality
- Creativity
- Craftsmanship

The Jackson's Mill Jubilee is a heritage arts, crafts, and live music event. We are a non-profit organization. All our crafters are artisans who home make, or home grow their product, and can display and demonstrate their skill at making their items. Not all are asked to do so.

All items sold at our event must be homemade or homegrown. We do not allow the sale of commercially produced or resale items.

This is an outdoor event using tents, barn booths, and pavilions. Our only charge is the booth fee (no commissions). You will be notified of the jury's decision within 5 business days. If accepted, you will receive an official registration form from the Jubilee which is due on or before July 28th, 2026.

We will be looking forward to reviewing your request for participation.

THANK YOU!
